

Lakewood Arts (LAC) "Adopted" School for September, 2023

Colfax Elementary School

It was a perfect day for managing the craft tables at Colfax Elementary School's Annual Carnival for students and their families. Colfax ES is one of the first participants in our Adopt-a-School Program. Art teacher Heather Abreu has worked with Lakewood Arts for a several years exhibiting artwork created by her students in our "Spotlight" exhibit area. For the carnival, Lakewood Arts provided art supplies for students to make a variety of foam masks and paper bag puppets decorated with stickers. Both projects were a hit! Thank you to LAC volunteers Kathleen Little, Rolina Carter and Dorothy Lessem as well as all the amazing, dedicated teachers at Colfax Elementary.

In addition to providing space for teachers to exhibit student artwork, we may also assist with art supplies, special events, or be able to assist your class with a "guest teacher." If you are a teacher interested in participating in our "Adopt-a-School" program, please contact us at lakewoodarts.president@gmail.com.
