

Lakewood Arts (LAC) “Adopted” School for December, 2023

Volunteers of America (VOA) – Early Childhood Education (aka HeadStart)

Sara Spanich discovered our Adopt-a-School program by searching online for local non-profits that serve the community. Sara is the Education and Disabilities Manager at one of the HeadStart locations in Denver. This location provides early childhood education to about 80 children between ages 3 – 5. We provided the school with new animal masks and snowflake kits as well as other art supplies we had on hand.

In addition to providing space for teachers to exhibit student artwork, we may also assist with art supplies, special events, or be able to assist your class with a “guest teacher.” If you are a teacher interested in participating in our “Adopt-a-School” program, please contact us at lakewoodarts.president@gmail.com.
