

Lakewood Arts (LAC) “Adopted” School for March, 2024

Jefferson High School – Multimedia Arts/AMPED/Sign and Wrap Lab

Shannon Stevens is the Multimedia Arts teacher at Jefferson Jr/Sr High School. Her class is currently displaying a variety of graphics, banners and other promotional materials designed by students in her Graphic Design Program. There is a great range of examples on display through March 30.

In addition to exhibiting student artwork this month, three LAC co-op artists will be visiting the art students’ class for a question and answer session about becoming/being an artist (after high school). Thank you to Emily Burr, Rolina Carter and Dorothy Lessem for participating in this event.

In addition to providing space for teachers to exhibit student artwork, we may also assist with art supplies, special events, or be able to assist your class with a “guest teacher.” If you are a teacher interested in participating in our “Adopt-a-School” program, please contact us at lakewoodarts.president@gmail.com
